

CANNABIS

Cannabis Overview

Jimerson Birr's Cannabis Industry Team focuses several service offerings within the legal cannabis industries, including marijuana, hemp, cannabidiol (CBD), AgTech companies, biotechnology companies, cultivation and retail companies, or ancillary cannabis businesses. Our team of experienced and connected attorneys help individuals and entities in the industry navigate the complicated startup procedures, licensure requirements, transactional process, compliance mazes, and other correlated challenges. The cannabis industry is taking off like a missile because of enormous progress of marijuana legalization all over the country. With a burgeoning market, cannabis industry entrepreneurs have a rare opportunity to capitalize on these openings, some of which need help from legal professionals to protect their investment.

Specialists in Business Growth

Growing a cannabis industry business is a product of modernization, hard work, and education. All of these are principal to industry success. Jimerson Birr clients gain faster industry and legal expertise, which gives them an advantage in getting to the next phase earlier than their competitors. In many cases, we've helped clients avoid costly mistakes and wasted time, freeing them up to focus on other vital elements of their innovative enterprises. Our value-add counsel seeks to take the mystery out of the process for clients, which can be the most paralyzing for a new company in an emergent industry.

Our client-focused insights will help you gain clarity when working with experienced lawyers who have shepherded companies through the life cycles of a business multiple times. Through Jimerson Birr's services, we will help find and implement practical business and legal solutions, operational and regulatory strategies, and strategic relationships that take our clients' businesses to the next level. When thinking of starting or enriching a new cannabis industry business, it pays to consult with Jimerson Birr.

The Last Firm You'll Hire

Our team is able to represent clients involved in the business of breeding, cultivating, extracting, manufacturing, and selling cannabis and cannabis products. We are at our best when we are helping navigate a complicated state and local licensing and regulatory mandate, assisting with the purchase or sale of a cannabis industry company, gaining conformity to land use, environmental, property development laws, supporting capital raises or financing transactions, or providing business operations counsel. We specialize in providing wide-ranging guidance on startup and operational business services for medical cannabis, adult use marijuana, and the industrial hemp sectors. Our team is determined to put the right people together with the right cannabis industry clients in order to efficiently answer substantive questions, prevent problems and create business opportunity. We are here to make things easy for you.
