Richard Decker ("Richie") is a partner at Raines Feldman LLP and is chair of and heads the firm's Health Care Industry Group. He has over thirty years of successful experience in this field, regularly defending against multi-million dollar claims and obtaining multi-million dollar awards. In addition to health care issues, Richie also has considerable expertise in matters that pertain to the real estate, entertainment and sports industries. Among numerous high profile cases, Richie also served as one of three lead trial lawyers in the Los Angeles Angels of Anaheim in City of Anaheim v. Angels Baseball LP name change case.
