

PRACTICE AREAS

COMPLEX COMMERCIAL LITIGATION

Our firm has extensive experience defending businesses in class action and other complex litigation. We have defended and coordinated litigated matters in state and federal courts across the country.

Clients benefit from our excellent track record for reaching successful and efficient resolutions. Our attorneys have defeated class actions at the pleadings phase and know how to take steps early in the process to promote a quick settlement. We have effectively represented businesses in multiple simultaneous arbitration venues and regularly counsel large commercial clients facing complex litigation.

AREAS OF FOCUS

- Provide counsel for litigation concerning consumer protection statutes.
- Implement procedural techniques for dismissing complex litigation in early phases of the case.
- Conduct large-scale discovery and electronic discovery.
- Handle arbitration of multi-corporation disputes between telecommunications companies.
