OVERVIEW

Vierca Perez has worked in the accounting field for 25 years, 23 of which have been with law firms. She has been with Ellis & Winters for more than six years as the firm's Billing and Accounting Manager. Vierca enjoys working directly with clients and assisting with the management of their accounts. Her day-to-day responsibilities include accounts receivable, accounts payable, billing and collections.

Vierca has vast expertise with legal billing programs such as Elite, TABSIII, Juris, and Orion. She is also proficient with e-billing and legal analytics systems such as Legal Tracker, CounselLink, Bottomline Technologies and TyMetrix 360.

In her free time, Vierca serves as a fundraising coordinator for the Juvenile Diabetes Research Foundation. She is also working to obtain a degree in interior design and is particularly interested in commercial projects.
