Brian M. Hoye is an attorney in Gipson Hoffman & Pancione's [Business Transactions](#) practice area, specializing in mergers and acquisitions and financing transactions, as well as the range of other legal and business issues that startups and mature businesses face. Brian has extensive experience representing public and private companies, family offices, entrepreneurs, and institutional investors. He has represented underwriters and issuers and consults with companies on legal, business, and strategic matters ranging from private equity investments, joint ventures, and strategic alliances to equity incentive plans and Rule 144 compliance.

Brian has served as an adjunct professor of law at Southwestern Law School, where he taught courses on federal securities law.
