Family Law: When Family Law Matters Involve Children

Join us on Thursday, November 19, 2020 from 2:00 – 2:45 p.m. EST for Part 3 of our Family Law webinar series where we will have a live discussion regarding important considerations when it comes to children during a divorce or child custody matter.

In an already challenging time predicting what lies ahead, the uncertainty and stress are magnified when it comes to critical decisions that ultimately impact your children. Our Family Law attorneys know the complexities and will focus on key areas when making decisions during this emotional time. They have years of experience working with families and understanding the dynamics with children.

Save your spot now for this informative webinar that will address the following:

- ▷ General custody and parenting time considerations, both pre and post-judgment
- ▷ How to address moves of more than 100 miles or outside the state of Michigan when parents share custody and parenting time
- ▷ Modifications to custody and parenting time as your children grow

This 30-minute webinar will be followed by a Q&A session – the perfect time to get answers to *your* questions.
