Join us on Thursday, October 22, 2020 from 2:00 – 2:45 p.m. EST for Part 1 of our Family Law webinar series where we will have a live discussion regarding nuptial agreements.

Prenuptial and postnuptial agreements allow couples to agree on the division of their assets and liabilities in the event of a divorce and/or upon death, to preserve all or part of their separate estates, and to help prevent acrimonious and expensive legal situations. Our Family Law attorneys will help you understand the essential considerations and provide critical perspective based on their years of client experience.

Save your spot now for this informative webinar that will address the following:

- ▷ Pros and cons of nuptial agreements
- ▷ What you should include
- ▷ Avoid common mistakes and pitfalls

This 30-minute webinar will be followed by a Q&A session – the perfect time to get answers to *your* questions.
