About Jaffe

Our firm was founded in 1968 by entrepreneurially-minded attorneys with a common vision: to form a law firm dedicated to providing exceptional hands-on, responsive, and solutions-oriented legal services. While our practice has continually evolved to meet the changing needs of our diverse clients, both big and small, our tradition of excellence, success, and dedicated personal attention has remained as strong as ever. Jaffe represents the best of all worlds: the vast knowledge, experience, and resources of a large law firm with the personalized standard of care of a small one.

At Jaffe, we approach every client's challenges as though they are our own and we value and respect each relationship. We are proud of our work and we are committed to serving our clients, celebrating our inclusive company culture, and giving back to our community.

Our Mission

Our goal is to provide a professional, creative, and results-oriented legal team and to be a trusted advisor and partner in each client's success. We know you depend on us to resolve your most difficult legal challenges and we make it our priority to exceed your high expectations in every way.

Our Clients

Relationships are important to us. Whether you are an individual or small business, entrepreneur or industry leader, you can be assured that we will work hard for you throughout our entire relationship. We will advise you honestly, treat you fairly, and respect your trust in us completely.

Our Attorneys

Jaffe attorneys are demonstrated leaders in their respective fields and represent a wide variety of industry knowledge, technical skills, and dedication to client needs. For decades, clients have chosen Jaffe attorneys to represent them in their most complex legal matters, both in Michigan and nationwide.

Recognized both locally and nationally as experts in their fields, Jaffe attorneys are sought-after guest lecturers and adjunct professors of law at prestigious universities and hold important leadership positions within local, state, and national bar associations. Outside of the office, Jaffe attorneys share their knowledge and passion through civic and charitable activities, industry leadership, political processes, and entrepreneurial ventures.
