## Overview

Aisha Hall is an attorney in our Electronic Payments practice group. She has a specialized background in payments rules and regulations with a particular emphasis on the automated clearing house (ACH) network. Aisha advises a wide array of companies in the payments ecosystem including: Originating Depository Financial Institutions (ODFIs), Receiving Depository Financial Institutions (RDFIs), Third-Party Senders, Third-Party Service Providers, Payment Facilitators, independent sales organizations (ISOs), and financial technology (FinTech) companies. Aisha assists clients navigate compliance with NACHA Rules, credit and debit card processing, merchant acquiring, money transmission, prepaid access, mobile payment, and payment facilitation. Notably, she holds a payments-industry accreditation as an ACH Professional (AAP).
