## Overview

Gabe Appel is an attorney in our Mergers & Acquisitions, Electronic Payments Law and Finance practice groups. He concentrates his practice on mergers and acquisitions and assists emerging companies. He helps start-up businesses and emerging growth businesses with formation and growth while helping existing businesses to grow in all aspects of corporate governance. Gabe determines what a business needs to operate and how it will operate in order to be in a position itself within its market. Gabe has worked successfully to close numerous M&A transactions. He has been involved in all aspects of the transactions from drafting and negotiating purchase and sale agreements to drafting ancillary documents, conducting due diligence, and preparing due diligence reports.

Gabe also assists businesses with financing needs, working with borrowers to obtain loans and financing. As his clients grow, he helps them obtain the proper finance vehicles and protect them throughout the process.

Gabe's work in this field provides peace of mind. He makes connections in business and provides efficiency with working with all parties to an acquisition or financing. Gabe understands each business' place within the market and helps them to succeed and grow. From start-up to mid-market to up-market, Gabe takes the time to know and understand each of his clients' unique businesses and how best to position them for success.
