## Overview

Scott Adams is our Director of Finance. With more than 25 years of accounting and financial experience in the professional service industry, Scott oversees our Finance & Accounting operations. This includes responsibility for billing, collections, payables, payroll, financial reporting, tax, and budgeting processes. He performs in-depth and value-added analysis of the firm's operations on a daily basis together with comprehensive direction and strategic planning. With extensive technology skills and experience, Scott manages key projects to deliver efficient and state-of-the-art advances to Jaffe.
