Camilla Chan is a partner at Raines Feldman LLP. Camilla is a vigorous advocate for her clients – often finding that the best outcomes are reached outside the courtroom. She has experience handling a diverse mix of litigation matters, including real estate, entertainment and business contracts disputes. Camilla works closely with the Firm’s clients to develop creative strategies for litigating cases and to efficiently manage litigation matters from inception through judgment.

Camilla is also involved in pro bono work to provide legal services to underserved communities. Camilla has volunteered at various clinics, including the Santa Monica Night Clinic and Skid Row Clinic, through the Legal Aid Foundation of Los Angeles, as well as represented clients seeking domestic violence restraining orders. Previously, Camilla volunteered with the Alliance for Children’s Rights, representing parents in finalizing adoptions and working with foster children who were the victims of identity theft.
