

INTERNATIONAL

Williams Parker has international reach as a member of [Ally Law](#), an international alliance of law firms with a membership of 70 firms that include more than 2,800 lawyers in 100 business centers throughout 45 countries.

From the complexities of expansion into foreign markets, international litigation and arbitration, mergers and acquisitions involving non-U.S. entities, international intellectual property matters, and joint manufacturing or distribution arrangements with non-U.S. entities, to non-U.S. employment matters, we work regularly with Ally Law attorneys to address clients' needs outside of our region.

As Florida's exclusive Ally Law member, we help connect our clients to global markets through local attorneys who understand their communities' business climates and cultures. Clients can access local legal counsel in foreign jurisdictions at local market rates, capitalize on a shared commitment to top-notch legal advice and service, and benefit from a full range of the most highly qualified attorneys in the world.
